

GREENVIEW PROPERTY MANAGEMENT

Company Information & Knowledge Base

1. Company Overview

Greenview Property Management is a full-service residential and commercial property management company headquartered in Austin, Texas. Founded in 2012, we manage over 2,400 residential units and 38 commercial properties across the greater Austin, San Antonio, and Dallas-Fort Worth metropolitan areas. Our mission is to maximize property value for owners while delivering an exceptional living and working experience for tenants.

Broker License	TX TREC #0987654
CEO	Rebecca Thornton
Total Employees	85 full-time staff

2. Service Areas & Portfolio

Greenview operates across three major Texas metropolitan regions. Our portfolio includes single-family homes, multi-family apartment complexes, townhomes, condominiums, and commercial office and retail spaces.

Region	Residential Units	Commercial Properties	Regional Office
Austin Metro	1,200	22	4500 Mueller Blvd, Austin

San Antonio Metro	680	9	1120 Broadway St, San Antonio
Dallas-Fort Worth	520	7	3300 Oak Lawn Ave, Dallas

3. Services Offered

For Property Owners

Tenant Placement: Comprehensive marketing, applicant screening (credit, background, income, rental history), lease execution, and move-in coordination. Average time-to-lease is 18 days.

Rent Collection & Financial Reporting: Online rent collection via our tenant portal, direct deposit to owners by the 10th of each month, monthly financial statements, year-end tax-ready reports (1099s), and annual budget planning.

Maintenance & Repairs: 24/7 emergency maintenance hotline, vetted vendor network with negotiated rates, preventive maintenance programs, annual property inspections, and a \$500 per-incident owner approval threshold (emergencies excluded).

Lease Management: Lease drafting, renewal negotiations, rent increase analysis based on market comparables, lease violation enforcement, and eviction management when necessary.

Property Marketing: Professional photography, listings on 30+ platforms (Zillow, Apartments.com, Realtor.com, etc.), virtual tours, social media promotion, and dedicated property landing pages.

For Tenants

Online Tenant Portal: Pay rent, submit and track maintenance requests, view lease documents, update contact information, and communicate with the management team — all from one dashboard at portal.greenviewpm.com.

Maintenance Services: Submit requests online 24/7 or call the emergency hotline. Non-emergency requests are acknowledged within 4 business hours and completed within 3-5 business days on average. Emergencies (flooding, gas leaks, no heat in winter, fire damage) are dispatched immediately.

Lease Services: Digital lease signing, renewal reminders 90 days before expiration, and clear move-out procedures including security deposit return timelines.

4. Fee Structure

Service	Fee	Details
Monthly Management (Residential)	8% of collected rent	Minimum \$100/month per unit
Monthly Management (Commercial)	5% of collected rent	Custom pricing for portfolios 10+
Tenant Placement Fee	75% of first month's rent	Includes marketing, screening, lease-up

Lease Renewal Fee	\$200	Per renewal
Eviction Coordination	\$500 + legal costs	Covers filing and court representation
Property Inspection	\$75	Per inspection (2 included/year)
Maintenance Markup	10%	On vendor invoices over \$250
Setup Fee (New Owner)	\$300 one-time	Per property onboarded

5. Key Policies

Rent Payment Policy

Rent is due on the 1st of each month. A grace period extends through the 5th. Late fees of \$50 plus \$10/day are assessed beginning on the 6th, capped at \$250 per month. Accepted payment methods include ACH bank transfer (preferred, no fee), credit/debit card (2.9% processing fee), certified check, or money order. Personal checks are not accepted. All payments are made through the tenant portal at portal.greenviewpm.com.

Security Deposit Policy

Security deposits are typically equal to one month's rent. Deposits are held in a dedicated trust account at Frost Bank. Upon move-out, an itemized statement and any refund are provided within 30 days per Texas Property Code Section 92.103. Deductions may be made for unpaid rent, damages beyond normal wear and tear, cleaning if the unit is not left in broom-clean condition, and unreturned keys or access devices (\$75 per key/remote).

Pet Policy

Pet policies vary by property. Where pets are permitted, a non-refundable pet fee of \$300 per pet and monthly pet rent of \$35 per pet typically apply. Breed restrictions are enforced per the property's insurance policy. A maximum of 2 pets per unit is standard. Service animals and emotional support animals with valid documentation are exempt from pet fees per the Fair Housing Act. Documentation must be submitted to the management office for review.

Maintenance Request Policy

Non-emergency requests should be submitted via the tenant portal. Response time targets: acknowledgment within 4 business hours, completion within 3-5 business days. Tenants must provide reasonable access to the unit for repairs. If a tenant is not home during a scheduled repair, a 24-hour notice will be left and entry may be made per the lease agreement. Tenant-caused damages are billed to the tenant after documentation and notice.

Lease Termination & Early Termination

Standard leases are 12 months. A 60-day written notice is required for non-renewal. Early termination requires 60-day written notice plus an early termination fee equal to 2 months' rent. The tenant remains responsible for

rent until the unit is re-leased or the termination fee is paid, whichever comes first. Month-to-month leases (where available) require 30-day written notice and carry a 10% rent premium.

6. Frequently Asked Questions — Tenants

Q: How do I pay rent?

Rent is paid online through the tenant portal at portal.greenviewpm.com. You can set up autopay via ACH bank transfer (no fee) or pay with a credit/debit card (2.9% processing fee). Certified checks and money orders are also accepted at our office. Personal checks are not accepted.

Q: What qualifies as a maintenance emergency?

Emergencies include: flooding or major water leaks, gas leaks or the smell of gas, no heat when outside temperatures are below 50°F, fire or fire damage, sewage backups, break-ins or security breaches (broken locks, shattered windows), and electrical hazards. Call our 24/7 emergency line at (512) 555-0199 immediately. For all other issues, submit a request through the tenant portal.

Q: How do I submit a maintenance request?

Log in to portal.greenviewpm.com, click 'Maintenance,' then 'New Request.' Describe the issue, select the affected area, upload photos if possible, and indicate your preferred availability. You will receive a confirmation email and can track progress in real time.

Q: Can I have a roommate or add someone to my lease?

All occupants over the age of 18 must be listed on the lease. To add a roommate, submit a Roommate Addition Request through the tenant portal. The new occupant must pass our standard screening process (credit check, background check, income verification). A \$50 application fee applies. Unauthorized occupants are a lease violation.

Q: What happens if I need to break my lease early?

You must provide 60 days' written notice and pay an early termination fee equal to 2 months' rent. You remain responsible for rent until the unit is re-leased or the fee is paid. We will actively market the unit to minimize your obligation. Contact your property manager to discuss options before making a decision.

Q: How do I get my security deposit back?

Upon move-out, ensure the unit is clean, all personal belongings are removed, all keys and access devices are returned, and any tenant-installed fixtures are removed or approved in writing. An inspection is conducted within 3 business days of move-out. An itemized statement and any refund are mailed within 30 days to your forwarding address. Provide your forwarding address in writing before or at move-out.

Q: Can I make modifications to my unit (painting, shelving, etc.)?

Minor modifications such as hanging pictures with small nails are generally permitted. Any significant alterations (painting walls, installing shelving, changing fixtures) require written approval from Greenview. Submit a Modification Request via the portal. Unapproved modifications may result in charges at move-out to restore the unit to its original condition.

Q: How do I renew my lease?

We send renewal offers approximately 90 days before your lease expires. You can review and sign the renewal digitally through the portal. If you do not wish to renew, provide 60 days' written notice. If no action is taken and your lease allows, it may convert to a month-to-month agreement at a 10% premium.

Q: Is renters insurance required?

Yes. All tenants must maintain a renters insurance policy with a minimum of \$100,000 in liability coverage for the duration of the lease. Greenview Property Management LLC must be listed as an interested party. Proof of insurance is due at lease signing and upon each renewal.

Q: How do I report a noise complaint or neighbor issue?

Contact your property manager via the tenant portal or by calling your regional office during business hours. For after-hours disturbances that are severe (e.g., threatening behavior), contact local law enforcement first, then notify Greenview. We take all complaints seriously and follow up within 2 business days.

7. Frequently Asked Questions — Property Owners

Q: How do I receive my rental income?

Owner disbursements are processed by the 10th of each month via ACH direct deposit. You will receive a detailed monthly statement showing gross rent collected, management fees, maintenance expenses, and any other charges. Year-end statements and 1099 forms are provided by January 31.

Q: What is the tenant screening process?

We conduct a comprehensive screening that includes a credit check (minimum score of 620), nationwide criminal background check, eviction history search, employment and income verification (minimum 3x monthly rent), and references from the two most recent landlords. Results are available within 24-48 hours.

Q: How do you determine rental pricing for my property?

We perform a comparative market analysis (CMA) using current listings, recent leases, and market trends in your property's submarket. We also factor in unit condition, amenities, and seasonal demand. Our goal is to maximize your return while minimizing vacancy.

Q: What happens if a tenant stops paying rent?

We issue a 3-Day Notice to Vacate for non-payment as required by Texas law. If the tenant does not pay or vacate, we file for eviction in Justice Court. Our eviction coordination fee is \$500 plus legal costs. Throughout the process we keep you informed and work to resolve the situation as quickly as possible.

Q: Can I approve or decline maintenance expenses?

Yes. For non-emergency repairs exceeding \$500, we contact you for approval before proceeding. For true emergencies (e.g., burst pipe, gas leak), we authorize immediate repairs to protect the property and tenant safety, then notify you promptly. You receive full documentation including photos and invoices for all work performed.

Q: How often do you inspect my property?

Two routine inspections per year are included in your management agreement at no additional cost. These include interior and exterior condition assessments, a photo report, and maintenance recommendations. Additional inspections can be requested for \$75 each. Move-in and move-out inspections are always conducted.

Q: What if I want to sell my property?

We can coordinate showings around the tenant's schedule and ensure lease obligations are honored during the sale. Our management agreement can be terminated with 60 days' written notice. If you'd like a referral to a real estate agent, we partner with several top brokerages in each of our markets.

Q: Do you handle Section 8 or housing voucher tenants?

Yes. We work with local housing authorities to process Housing Choice Voucher (Section 8) applications. We handle all required inspections, paperwork, and compliance. Voucher tenants go through the same screening process as all other applicants. Owner participation is optional and can be discussed on a property-by-property basis.
